

WORK SHOP on DISASTER MANAGEMENT & MEDICAL MANAGEMENT OF CHEMICAL DISASTER EMERGENCIES

Indian Medical Association Ponda branch & Indian Medical Association Goa State Branch are organizing State level Continuing Medical Education program with workshop on “**Disaster Management & Handling of Techno-Industrial Disasters.**”

The Goa Chamber of Commerce & Industry – GCCI & Goa State Pollution Control Board – GSPCB are collaborating partners.

The program is scheduled to be held on **Saturday, 11th March 2023** between 9.00 am & 5.00 pm at **Sanskriti Bhavan , Multipurpose Hall, Patto, Panaji Goa.**

The program shall cover various aspects of Disaster Management by medical professionals along with paramedics, stakeholders, Government agencies and industries.

The Program will consist of the Inaugural Function, Key Note address, Lecture sessions, Table Top Exercise, Mock Drill, Poster Presentations, Case Scenarios, Quiz and Videos.

Dr. Sharad Agrawal, President , National IMA will grace the occasion.

The visiting faculty members from National Disaster Management Authority (NDMA), Asian Disaster Preparedness Center (ADPC), Directorate General Mines Safety (DGMS), National and State IMA and representatives of Stake Holders in Disaster Management shall deliberate.

We anticipate participation from the stake holders in Disaster Management - North and South Goa District Collectors, Inspectorate of Factories & Boilers, Directorate of Health Services, Directorate of Mines Safety, Goa State Pollution Control Board, Directorate of Fire & Emergency Services, Directorate General of Police, Corporate Hospitals, Private Nursing Homes , Occupational Health Laboratories & Diagnostic Centers , IMA local branches & Private Practitioners.

Topics: -Introductory Note - Disaster Management, Key Note address – Techno – Industrial Disasters
Lectures – Mass Casualty Incident & Mass Gathering Medical Care, Pre Hospital Care, Triage
Hospital Preparedness and Hospital Incident Command System
Disaster Management Plan for an Industrial Estate and Local Disaster Management plan for Taluka

We also request you to kindly participate & give presentations on your Emergency preparedness.

Corporate Hospitals and Private Nursing Hospitals shall be given an opportunity to present their existing Emergency medical services provided in the respective centers and their roll in extending emergency medical services during disasters by way of short PPT and poster presentation in the hall.

A souvenir will be printed with abstracts of scientific papers, provide information, articles and flow charts on Disaster Management and Emergency Medical services.

The cost of pre-empting a disaster is miniscule compared to an actual disaster. Therefore, it pays to be prepared. Preparation though also involves a cost. Therefore, it is our humble request to all stakeholders to not only participate but also to generously sponsor this program. The details are enclosed

Thanking you in anticipation & warm regards,

Dr. Mohan Dhumaskar
President, IMA Goa State

Dr. Deelip Kerkar
President IMA Ponda

Ralph de Sousa
President GCCI

Mahesh Patil
Chairman, GSPCB
